

# Student Prize 2022

of the Quebec Youth Research Network Chair (YNC)

Your dissertation or thesis  
has been in progress or  
has been defended for  
less than a year ?

Your Master's or Doctoral studies  
centers on the transition into  
adulthood for Quebec youth and  
from the perspective adopted by  
the Youth Network Chair ?

**Send us a scientific poster (electronic version)  
that presents your work**

- And see your poster displayed on the YNC website!
- In addition to a chance of winning one of the three prizes offered\*!

**Doctoral prize \$1,000**

**Master's prize \$750**

**Coup de coeur \$750**

The winners will be  
announced during  
the YNC symposium  
at the 89th ACFAS Congress.

The scientific poster must include the context, method, objectives of the research and include the partial, preliminary, or final results.

It must be in a landscape format, 24x36", in PDF format.

The student must be the main author of the poster.

#### Evaluation criteria:

- Social and scientific relevance;
- Contribution to the programming of the YNC;
- Quality of the presentation;
- Accessibility to non-specialists.

**Deadline to submit your poster:  
April 22nd, 2022**
