SUR LA JEUNESSE DU QUÉBEC

Doctoral prize | Master's prize | Coup de coeur

TO PARTICIPATE

The scientific poster must include the context, method, objectives of the research and include the partial, preliminary, or final results;

The student must be the main author of the poster;

The poster must be send in PDF format at crj.ee@inrs.ca.

EVALUATION CRITERIA

Social and scientific relevance | Contribution to the programming of the YNC
Quality of the presentation | Accessibility to non-specialists

* This presentation will give you the opportunity to spread the word about your work and mingle/network with co-chairs, students members, and partners of the YNC. The registration and poster printing fees will be covered, as well as your travel expenses if you are coming from outside the greater Montreal area.

The winners will be announced during the YNC symposium (details to come).

** Recipients from previous years can only participate in a different prize category.
